Sheaves for Christ Scholarship Policy Guidelines: (rev. November 2010)

I. Eligibility:

Students desiring to attend a UPCI-endorsed Bible College or Graduate School may apply for a *Sheaves for Christ* scholarship if they are under twenty-five years of age on February 1st, the application deadline.

Since the scholarship is funded by *Sheaves for Christ* offerings derived from United Pentecostal Churches of the United States and Canada, applicants must also be citizens of these countries and active members of United Pentecostal Churches. Applicants for upperclassmen or graduate scholarships must have been members of a United Pentecostal Church prior to their time as students.

II. Award Categories:

The Sheaves for Christ scholarship program currently makes available up to 14 scholarships* for each academic year. Of these, up to three are Level One awards in the amount of \$2,500.00; eight are Level Two awards in the amount of \$1,500, and three are UGST scholarships in the amount of \$1,000.

These 14 scholarships are awarded to students in three different categories.

Category 1: Eight scholarships awarded to Bible College freshmen. Of the eight awards, as many as two can be Level One.

Category 2: Three scholarships awarded to Bible College upperclassmen. Of the three awards, one can be Level One.

Category 3: This category consists of three \$1,000 scholarships awarded for a first year, full-time graduate student at UGST.

III. Application Process:

A. The application deadline for all scholarships is February 1st. All application materials must be **received** in the General Youth Division offices by **5 PM on February 1st**. Should February 1st fall on a weekend, application materials are due by 5 PM the next business day. ***Incomplete, late, or faxed materials will not be considered.***

Applications submitted at this time are designated for the academic year beginning the fall of that year. The completed application, essay, and forms are to be mailed to the General Youth Division.

B. Reference forms and a pre-addressed, postage-paid envelope are to be given to all applicable persons. Applicant should make clear to the individual the importance of the February 1st deadline, and that the form must be submitted by mail. For an application to be considered, at least two references must be on file: a pastoral reference and either a scholastic or employer reference.

C. College Entrance Exams: Freshman applicants are encouraged to complete the ACT or SAT no later than the summer following their junior year of high school/secondary school. This will allow sufficient time to provide the results of the test. Canadian applicants must submit the results of their most recently completed provincial exams, or the results of the GMAT. Applicants for the Graduate School scholarship need not provide ACT/SAT/Provincial results.

D. Free Application for Federal Student Aid (FAFSA): *United States applicants* are required to complete the FAFSA. Further information and application submission can be found online at www.fafsa.ed.gov. Completion of the application generates a *Student Aid Report (SAR)*. Included in the SAR is an *Expected Family Contribution*, which the award committee will use in considering your application for the scholarship.

When completing the *FAFSA* form, if you have not received your current tax information, the previous year's tax information can be used. Follow the steps listed on the FAFSA homepage: "1. Before Beginning a FAFSA, 2. Filling Out a FAFSA, and 3. FAFSA Follow-Up." You will be asked to select the schools that you wish to receive the *SAR*. Since UPCI-endorsed institutions are not currently listed among the available choices, you will need to select an alternate secular university in order to process the form. However, you can request that a copy of the *SAR* be sent directly to you. Include the copy sent to you with your scholarship application materials sent to the General Youth Division. *Please note that receipt of the SAR may take as many as four weeks following submission of the FAFSA.*

Online *FAFSA* submission: It is recommended that you submit the FAFSA application online rather than complete the paper form. Processing of the application is much faster and you are automatically emailed a copy of the *SAR*.

E. CanLearn Student Loan Estimator: *Canadian applicants* are required to complete the *Student Loan Estimator* provided by CanLearn. This estimator is available online through www.canlearn.ca. Once on this page, select *English to enter the site*. Select the *Student Loans, Grants and Scholarships* portion at the top of the left-hand column. On this page, under *Useful Links* in the center section, select "Student Financial Assistance Estimator (SFAE)." Follow the instructions carefully and enter all of the requested information correctly and honestly. When asked for the Province of Study, select your province of residence unless you intend to attend Northeast Christian College in New Brunswick.

Once you have entered all of the information, the program will process your information and provide you a page titled "Potential Assistance". This amount is the estimate that you might receive from all Canadian loan opportunities. Print this page and include it with your application materials.

IV. Grading Process:

All applications are evaluated against other applications submitted in the same category. Applicants are required to designate and qualify for the Category for which they are applying. Winners may apply their award to any UPCI-endorsed school that they choose to attend within the category of their award. The level of the award given (\$1,000, \$1,500 or \$2,500) will be determined by the award committee.

Applications will be graded by the Sheaves for Christ Scholarship committee. This committee consists of five to seven members of the General Youth Committee. Each year their selections will be presented for final approval by the Executive and/or General Board of the UPCI. Upon that final approval, the applicants will be notified by mail of their winning status. The General Youth Division will also notify the Bible College that each winner intends to attend.

Since the scholarship is awarded to the individual student, that student may elect to change his intended school prior to entering the college. However, once a student has begun classes at a particular college, he may not transfer to another college during the academic year and still maintain his scholarship for that year.

In the event that no applicant is deemed worthy of the scholarship in any particular category, the scholarship committee reserves the right to withhold awarding a scholarship in that category for that year.

V. Distribution Process:

Scholarship monies will be paid directly to the selected school at the beginning of each semester. Monies will be released upon notification by the college that the student is registered on campus as a full-time student, as defined by that institution. Additionally, second semester payments will be released if the recipient has maintained a 3.00 GPA (4.00 scale) for the first semester. Should the recipient's GPA fall below 3.00, funds will be withheld until the student presents written explanation to the Executive Youth Committee. Upon review of the student's explanation, the Executive Youth Committee will determine whether or not to release second semester funds.

Since these scholarships are awarded to a particular student, any unused awards will not be reassigned to alternate students. Also, awards not used during the designated academic year (the fall following the February application deadline) will be forfeited.

Scholarships are awarded on a yearly basis. To apply for a renewal of support, the entire application process must be repeated for each year in which the student hopes to benefit from a scholarship.
